

## FAQs - Screening for Murmurs in Elderly Patients – A Mini Audit

**Duration and CPD activity type: 5 hours MO = measuring outcomes** (Plus 1 hour EA = educational activities + 1 hour RP = reviewing performance).

### Is it free?

Yes

### Where can I access the Measuring Outcomes Activity?

Visit: [healthed.com.au/murmur](https://www.healthed.com.au/murmur)

### I'm looking on the Healthed website, where can I find the MO activity?

<https://www.healthed.com.au/modules/>

### How long will the activity take? What if it takes me less than 5 hours to complete?

We anticipate that the activity will take an average of 5 hours to complete. This activity is accredited with the RACCGP for 7 hours in the following category types:

- 5 hours of MO +
- 1 hour EA +
- 1 hour RP

You will receive all 7 hours of CPD if you complete this activity.

Please note you must complete records for all 10 patients for Healthed to approve your mini-audit report.

### What is the last date to submit the Measuring Outcomes Activity?

Midnight, Sunday December 31, 2023

### **Is this activity accredited?**

This activity is accredited with the RACGP. Healthed will upload CPD hours for RACGP members if the activity is completed and mini-audit report is approved by Healthed.

Others may be able to self-claim with a certificate available for download within the module online when the activity is completed.

### **Will I receive a certificate for this activity?**

Yes, if you complete the activity and your mini-audit report is approved, you will receive an email to download your certificate. Please allow 2 weeks for Healthed to approve your mini-audit report submission.

### **When will hours be uploaded?**

Hours will be uploaded (for RACGP members) approx. 4 weeks after the activity is submitted and mini-audit report is approved by Healthed.

### **I'm not with the RACGP. I am registered with ACRRM and the AMA, will I still be eligible to receive hours for this, and are there any additional steps I need to take?**

We believe that you will still be eligible to receive CPD hours HOWEVER you will have to self-claim if you wish for the CPD to be recorded with ACRRM or the AMA CPD home. Healthed will email you a certificate when you have completed the activity, and your mini-audit report has been approved.

### **What steps do I need to take to complete the Activity and how do I submit it?**

Follow the prompts - Click access this course and enrol for free button.

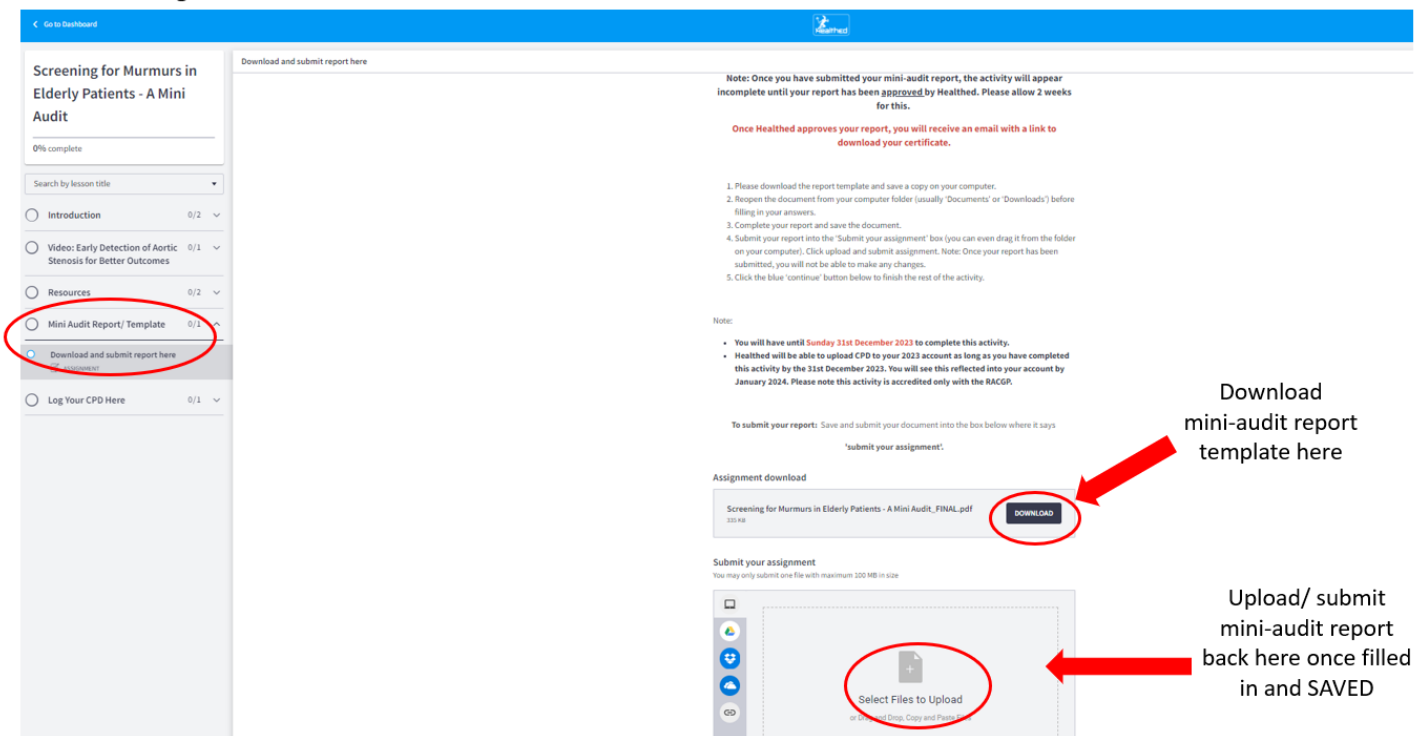

1. Watch the video lecture by Dr Nicholas Aroney on early detection of aortic stenosis for better outcomes
2. Identify patients who:
  - Are over 65 years-of-age
  - Is a regular patient over the past year
3. Randomly select 10 patients that fit the profile above

4. Download the mini-audit report/template provided within the module (see image 1 below)
5. Complete the questions outlined in the mini-audit report/template. These questions will involve:
  - Documenting the findings for each patient
  - Writing a reflection on the clinical importance of regular cardiac auscultation and how you might change your practice and approach as a result of this activity
6. Submit the mini-audit report back to Healthed within the module where it says “submit assignment” (see image 1 below)
7. Log your CPD here:
  - Complete the survey. Make sure you click the red START button to complete and answer all the questions and click submit at the end (see image 2 and 3 below).

Important! You must complete records for all 10 patients for Healthed to approve your submission.

Your progress tracker will remain at 87% complete until Healthed approves your mini-audit which you will then see this activity as 100% complete.

Download and submit report here

Note: Once you have submitted your mini-audit report, the activity will appear incomplete until your report has been approved by Healthed. Please allow 2 weeks for this.

Once Healthed approves your report, you will receive an email with a link to download your certificate.

1. Please download the report template and save a copy on your computer.
2. Reopen the document from your computer folder (usually 'Documents' or 'Downloads') before filling in your answers.
3. Complete your report and save the document.
4. Submit your report into the 'submit your assignment' box (you can even drag it from the folder on your computer). Click upload and submit assignment. Note: Once your report has been submitted, you will not be able to make any changes.
5. Click the blue 'continue' button below to finish the rest of the activity.

Note:

- You will have until **Sunday 31st December 2023** to complete this activity.
- Healthed will be able to upload CPD to your 2023 account as long as you have completed this activity by the 31st December 2023. You will see this reflected into your account by January 2024. Please note this activity is accredited only with the RACGP.

To submit your report: Save and submit your document into the box below where it says 'submit your assignment'.
